

# Bible Print Sizes

The only way to accurately compare print size is to **print** this page. Since computer monitors display print in sizes differently than they actually are, we have created this page to show you the different print sizes in our Bibles.

6 point – In the beginning God created the heaven and the earth.

7 point – In the beginning God created the heaven and the earth.

8 point – In the beginning God created the heaven and the earth.

9 point – In the beginning God created the heaven and the earth.

10 point – In the beginning God created the heaven and the earth.

11 point – In the beginning God created the heaven and the earth.

12 point – In the beginning God created the heaven and the earth.

13 point – In the beginning God created the heaven and the earth.

14 point – In the beginning God created the heaven and the earth.

Bible font styles and font weight vary greatly as well as the white space between lines of type. These factors can affect the readability of the type. A printout of this page will give you a representation of print sizes. Because fonts vary from Bible to Bible and the thickness of pages along with the boldness of the print can't be shown accurately. This is only a guide.
